

Brief CV

Name	Md. Shabiul Islam	中文名		
Gender	Male	Title (Pro./Dr.)	Dr.	
Position (President...)	Professor	Country	Malaysia	
University/ Department	Faculty of Engineering (FOE), Multimedia University (MMU), Malaysia.			
Personal Website	https://www.mmu.edu.my			
Research Area	(i) VLSI Design; (ii) Micro/Nano System Design; (iii) Energy Harvesting related Circuit Design; and (iv) Microcontroller Based System Design.			

Brief introduction of your research experience:

Research Experience: (1994 to Present)

- Responsibilities of my research work are on the fields: VLSI Design; (ii) Micro/Nano System Design; (iii) Energy Harvesting related Circuit Design; and (iv) Microcontroller Based System Design.
- Supervised the Post-doctoral Fellow at Institute of Micro-engineering and Nano-electronics (IMEN) in the Universiti Kebangsaan Malaysia (UKM), Malaysia.
- Supervised the post-graduate students by research (No. of Ph.D.:12, and No. of M.Sc.:14) on my above mentioned different research area at IMEN, UKM, and also MMU in Malaysia.
- Currently, I am supervising four (4) post-graduate students in MMU, Malaysia.
- I have published 76-Journal papers (ISI & Scopus); 90-Conference papers; and 1-Book Chapter.
- I have published 5-Research books.
- I have published 1-Patent.
